## Applications

### Dynamic web page cache

US Pat. 7096418 - Filed Jun 12, 2000 - Persistence Software, Inc.

The architecture of the cache controller 802 supports the **dynamic page** cache in ... are not encoded in the **dynamic page** during the **page generation** process. ...

## Dynamic web page generation method and system

US Pat 7194678 - Filed Mar 1 2000 - Hitachi, Ltd

A method of a **page generation/access**, comprising: a) generating a **dynamic page** based upon a **page template 10** and a **page generation** call with an argument in ...

System and method for managing dynamic web page generation requests

US Pat. 6,415,335 - Filed Jan 19, 1999 - epicReality Operating Inc.

Specifically, one embodiment of the present invention claims a computer-implemented method for managing a **dynamic Web page generation** request to a Web

000

Electronic shopping and merchandising system accessing legacy data in a ...

US Pat. 6,484,150 - Filed Jan 12, 1999 - Microsoft Corporation

In response to browser requests, the **dynamic page generator** 125 composes ...  
 Directives may include value references for evaluation during **page generation**.

999

Cache management method and system for storing dynamic contents

US Pat. 6,633,318 - Filed Jan. 22, 2001 - International Business Machines Corporation

In most systems, the **generation cost** for a **dynamic page** can be rather high, which cost the **page provider** bears each time a **dynamic page** is created. ...

System and method for using dynamic web components to automatically ...

US Pat. 6,973,483 - Filed Jan 31, 2001 - Microsoft Corporation

The computer-readable medium of claim 16 wherein the **dynamic web page generation** script automatically includes at least one applet in each customized web ...

Methods and apparatus for regenerating and transmitting a partial page

US Pat. 7051984 - Filed Nov 2, 2000 - Citrix Systems, Inc.

A method for partial **page** regeneration of a transmitted **page** by a server, said method comprising: receiving at a server, **page generation** code that generates

...

System and method for automated access to personal information

US Pat. 6406245 - Filed Oct 27, 1999 - VeriFone Corporation

The **dynamic page generation** system 870 will produce valid output 880 for each set of six valid inputs 810-860. FIG. 9 illustrates an actual run-time ...
